

Busch®

There is no substitute for quality

PavéCut 447AU

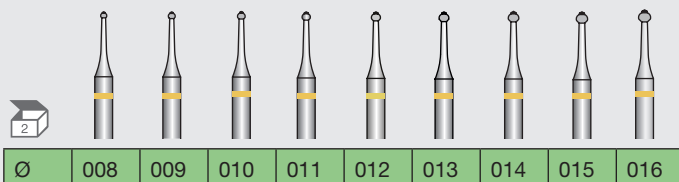

pat. pending DE 10 2019 200 496.2

Minimum 50% faster

This newly-developed carbide bur is a unique tool combination of a twist drill and a round bur. Now it takes one step instead of two for pre-drilling, shaping and enlarging!

Game changer

Recommended speed: 5.000-10.000 r.p.m.

All sizes available in a set.

Pfingst Description: Pavecut 2-in-1 Tool
